FOR IMMEDIATE RELEASE

**Subject :** Humboldt Bay Fire Open House

**Contact :** Chris Emmons, Battalion Chief, 707-441-4000

Humboldt Bay Fire extends a warm invitation to the public it serves to join us for our annual Open House on Saturday, October 29th, 2016. This is the event that had been postponed due to severe weather earlier this month. In the spirit of the recent National Fire Prevention Week, we are promoting the message "Don't Wait-Check the Date! Replace Smoke Alarms Every 10 Years!" to urge community members to make their homes safer by installing or updating smoke alarms. At the event, firefighters will provide important lifesaving fire prevention tips, host station tours, offer interactive activities for children and present live fire and antique apparatus demonstrations. Community safety groups will also present information and be available to talk safety tips with the public.

Car seat technicians will be available to install child safety seats and answer questions during the event.

The Open House will take place from 10:00 am to 3:00 pm at Humboldt Bay Fire Station #1 located at 533 C Street, rain or shine.
