FOR IMMEDIATE RELEASE

**Subject :** Cause Determined for Structure Fire on 3422 Pine St.

**Contact :** Amy Conlin, Community Risk Reduction Specialist, Humboldt Bay Fire.

---

Humboldt Bay Fire has determined the structure fire at 3422 Pine St. to be accidental in nature, most likely caused by combustibles left on or near the stove in the kitchen.

Humboldt Bay Fire would like to remind the public to turn off stoves, burners, and ovens when not in use, and to never leave cooking unattended.
