Smoke Alarms Save Lives.

07-01-2019

FOR IMMEDIATE RELEASE

Subject : Humboldt Bay Fire & American Red Cross “Sound the Alarm” Program was a Success!

Contact : Amy Conlin, Community Risk Reduction Specialist, 707-601-6724

This past Saturday, June 29th, 2019, Humboldt Bay Fire and the American Red Cross Northern California Coastal Region hosted a “Sound the Alarm” program for our community, installing free smoke detectors for those in need!

Through the course of the day we visited 24 homes and installed 61 new alarms impacting 62 residents of our community.

We also tested and replaced batteries in several existing alarms, while educating residents on fire safety, earthquake safety, and more.

Smoke alarms save lives, and we want everyone in our community to be safe.

If you missed out on this Sound the Alarm, don't worry! The American Red Cross and Humboldt Bay Fire are committed to helping our community stay safe.

You can contact our local American Red Cross at (707)832-5480 and learn more about the Home Fire Campaign and Sound the Alarm opportunities at <https://www.redcross.org/local/california/northern-california-coastal/about-us/our-work/home-fire-campaign.html>
