Smoke Alarms Save Lives.

October 13, 2022

FOR IMMEDIATE RELEASE

Subject : Humboldt Bay Fire Open House

Contact : Talia Flores, Community Risk Reduction Specialist, 707-441-4000

Humboldt Bay Fire is excited to invite you to our annual Open House on Saturday, October 15th, 2022!

In the spirit of National Fire Prevention Week, we are promoting the message "Fire won't wait. Plan your escape." recognizing everyday people who motivate their households to develop and practice a home fire escape plan. These seemingly basic behaviors can have life-saving impacts. Today's homes burn faster than ever. Never underestimate your risk to fire and let us help you develop your home escape plan including having working smoke alarms in correct places, knowing two ways out of every room, and having a clear outside meeting place.

At the event, firefighters will provide important lifesaving fire prevention tips, host station tours, and offer interactive activities for children. Community safety groups will also present information and be available to talk safety tips with community members.

The Open House will take place from 10:00 am to 1:00 pm at Humboldt Bay Fire Station #1 located at 533 C Street, rain or shine.

Join us for fun, refreshments, an opportunity to learn about fire safety, and meet your local firefighters! We hope to see you there!
